

What's Up? My name is Gage. I love to take selfie's with my Smart Phone. (*Shhh, don't tell Grace, she will want me to place my phone in her Cell-Phone Garage*). I will help you engage with your child and the 321Go Kids' team along your child's rehab journey. Together we will learn a lot and have fun along this journey to *Discover Hope and Unleash Potential* in your child.
